RENTAL REQUIREMENTS AND CONDITIONS

1. **Safe installation position required** – please indicate choice of safe position on the form attached form by June 15th. If a form is not received by this date the safe will be placed in the middle of your booth and a fee of \$250 will be charged to place the safe into the correct position on move in day.
2. **Change in Booth Number, Safe Model or Safe Position** – Exhibitor is responsible for notifying Rob Hyatt Safe Rentals by email at the address above.
3. **Safe Standard Equipment** – All safes will be standard with pushbutton digital lock (exhibitor will set lock code). The number of selves will be specific to safe model and the door will be the standard right-hand swing.
4. **Cancellation Policy** – Any cancellations after June 30th 2025 will not be refundable
5. **Installation and Safe Move** – Your safe will be placed in your booth according to your booth layout. Any request to move the safe after this date will be subject to a \$500 additional moving fee.
6. **Year on Year Rental** - If you choose to rent a safe the following year, you may leave non-valuable items i.e. lighting, trays, scales, boxes etc. within the safe at no additional cost. Please place your name on the safe and inform us. We will then deliver the same safe to you the following year. Please note that you will need to complete an agreement each year.
7. **Show Combination Number** - At the end of the show you *must* inform us of the safe combination code used during the show is you are only renting a safe for the entirety of the show. If you do not provide us with the code, we will have to drill the safe and replace the lock at an additional cost of 50% of the rental fee.
